It is no secret that we would all like to know everything we can in this world. Whether we want to or not, we spend our days picking up on various bits and pieces of knowledge that we didn't necessarily intend to learn. While that is all well and good, there is still more to the story, and we should strive to learn more intentionally and less passively. No matter what you are doing in your day, odds are if you even half listen to the radio or television, you are going to learn something.

This book is going to challenge you to take your learning to a new level, however, and learn to view life like a genius. Don't go through life with that sort of half-hearted learning anymore, but become hungry for knowledge.

It doesn't matter where you are in life, what you are doing with your day, or what you intend to do with your future. You need to make the most out of your situation right now, whatever that situation may be, and you need to make yourself better. There is nothing wrong with what you are doing right now, but what you need to learn is how to grow. Make a deliberate effort to expand your knowledge. Don't know how? Well, you have come to the right place.

This book is designed to teach you how to learn. You will learn how to learn, and when you know that, the world becomes an open book. By the time you have reached the end of this book, you will have learned:

- The art of learning
- Thinking like a genius
- How to develop your own learning style
- How to be a one-of-a-kind learner
- How to keep the genius mindset
- And much more!
