When it comes to love, there's no such thing as smooth sailing.

Bend or Break, Book 4

Rafael Castro is so far out of his element he can't even see it anymore. Carlisle College in Massachusetts is a long way from his Chicago home, even farther from his Dominican Republic roots.

The only thing keeping him attached to his last nerve is the prospect of seeing Denny Winslow again. The first time they met, Denny taught Rafi to fly across the water, rowing hard in a knife-like boat. Now, two years later, on the wings of a rowing scholarship, Rafi is attending Denny's elite college.

Even before the excitement wears off, Rafi is struggling with classes and fending off rumors that Denny's family, not Rafi's talent, won him his spot. To quash the gossip, Rafi tries to steer clear of the man he wants. A plan that evaporates in the fire of renewed attraction.

But Carlisle's academic pressure cooker has Rafi barely treading water. And when a family crisis hits, both Rafi and Denny must pull hard to keep their relationship from capsizing in rough waters.

Warning: Contains a surly Dominican-American guy determined to show no weakness, a golden boy who knows his soft spots, some seriously dirty bachata dancing, and an excellent excuse for voyeurism in the locker room.

Marie Flynt:

Playing with family within a park, coming to see the coastal world or hanging out with good friends is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Level Hands (Bend or Break), you can enjoy both. It is very good combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't get it, oh come on its named reading friends.

Connie Pauls:

You can spend your free time to see this book this reserve. This Level Hands (Bend or Break) is simple to develop you can read it in the park, in the beach, train and soon. If you did not have much space to bring the actual printed book, you can buy often the e-book. It is make you simpler to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Daryl Sanders:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Level Hands (Bend or Break) can make you really feel more interested to read.
