Unbreak My Heart: This Is Me (Enchanted Revelations) (Volume 1) Toni Marie Noble

Rory Crystal is a twenty-five year old female who is unable to make any major decisions in her life because of what happened in her past, which is a topic she refuses to talk about or even think about (so don't bother asking). The only problem with keeping that topic from infiltrating her mind is Evan McGuille, an ex-boyfriend who is hell bent on fixing her, which causes Rory to want to open up more than she ever thought possible. The only thing from keeping her from pulling her skeletons out of the closet to him boils down to one word: trust. Can she trust Evan to be there for her when everything is revealed or will he leave her with all of her truths to face alone? Or will he stay and be enough to help her suture the pieces of her broken heart back together again? In Rory's story she learns what self worth is through finding her self as well as how to overcome the mental and physical scars of rape.
