White Chalk Crime: The REAL Reason Schools Fail: Untold story of crime that has destroyed our schools and how teacher abuse and teacher cleansing have kept this from you Karen Horwitz

This book is a teacher's attempt to initiate school reform by presenting testimony of 140+ award winning educators who enlighten the public about teacher abuse and its companion, White Chalk Crime™. It scales the self-serving EducRAT\$' formerly impenetrable moat designed to shut the public out of their "business." And business it is, as you will learn in this comprehensive discourse on what is truly wrong with our schools. The raiding of our schools, which EducRAT controlled boards methodically conceal, is intolerable. Yet, few teachers report this due to the calculated use of psychological terror to squelch resistance. This book connects the public with the truth, including the unions' role, and constructs a framework for unraveling the corruption. It also describes the author's abusive experience at Avoca, an affluent suburban Chicago school district, and her disheartening journey through the courts, including the US Supreme Court. It carves the 1st authentic path for school reform.
