Another eBook and Paperback Nugget from The Soul of a Horse Best selling author Joe Camp and his wife Kathleen were lucky enough to stumble onto Monty Roberts Join-Up before their first horse ever arrived, so that's where they began with each and every one of their herd. And it made such an absolute difference for them to establish relationship first and true leadership right from the get-go. Their herd members are now all willing partners who never stop trying. Stacy Westfall says the best thing she ever did for her training is to do no training whatsoever until the relationship is right. Come along with Joe and Kathleen as they learned what to do, how to do it, and why. And why and how it very simply changed everything with their horses. The stories you love and the information you need will always be with you. What Readers and Critics Are Saying About Joe Camp "Joe Camp is a master storyteller."
