Chicken Butt; The Story of a Man N. A. Kay

If you've ever wondered what it would be like to be a chicken-like man, wonder no more. *Chicken Butt; The Story of a Man* is a satirical piece on human understanding of identity, all under an amusingly deprecating portrayal of Chicken Butt - the chicken-like protagonist. He fights through a world of existential egotism with delusions of grandeur and struggles to tackle the harsh reality of existence humorously stumbling and fumbling in the most humane of manners. The novel attempts to get back to one's younger - more foolish self, and endeavors to spend some time smirking at the lessons learned through the follies of childhood experiences. The episodic narrative expresses an academic sophistication rare to novels with illustrations; the accompanying visuals are pleasantly comedic and expressive.
