The true story on how elite eugenic organizations, like Planned Parenthood, are using birth control, abortion, sterilizations, AIDS, and gun control to slowly exterminate the black race.

### **Review from Anonymous Professor**

Would you like to read a bombshell of a book? COVERT GENOCIDE:THE PLOT TO USE BIRTH CONTROL,ABORTION,STERILIZATIONS,AND GUN CONTROL TO EXTERMINATE THE BLACK RACE is the book for you. This explosive book,well researched and documented,yet written in an easy to read popular style,has the potential to make huge waves and disturb a lot of people both black and white or somewhere in between. That is perhaps the reason the author chooses not to reveal his identity and receive the applause that is rightfully due him.Instead he publishes the book under the authorship of ANONYMOUS.

We all know that Adolf Hitler was a supremacist-eugenicist.But how many people realize that he was influenced by the writings of American eugenicists? How many of us know that Planned Parenthood was founded by a eugenicist,Margaret Sanger,who viewed Blacks as human waste? She did not hate black people.She just considered them and most white people as sub-par for the master race she aspired to see created.These people in her mind would contribute to the evolutionary degeneration of the human race.Eugenics is a politically and socially unacceptable term today partly because of its link to Hitler and the diabolical extremes he utilized to implement his master race. But it is still very much alive under the more palatable term "family planning."

Planned Parenthood,the nation`s largest abortion provider and a big promoter of birth control,is still targeting black people.It builds most of its abortion clinics in urban areas occupied predominately by Blacks.Partly as a result of this, partly as a consequence of the taxpayer funding of Planned Parenthood,and other reasons a disproportionate number of black unborn children are aborted in the United States. In 2002 43% of pregnancies involving black women ended in abortion by contrast to 18% for Caucasian women. In Pennsylvania Blacks make up ten percent of the population,yet they have 45% of the abortions.Planned Parenthood has used black newspapers,religion,and black pastors to promote the practice of birth control in the black population.Some black pastors have even been recruited in support of abortion.Planned Parenthood has encountered stiff resistance.however, in the person of Pastor Clenard Childress,a black minister,dedicated to the prolife cause,who has fearlessly spoken out against Planned Parenthood and its targeting of African Americans..He has even encouraged Blacks to vote against President Obama,one of the country`s most pro-abortion politicians.It has also encountered resitance among Catholic priests working in black neighborhoods.

The book explores other areas besides birth control and abortion that have been utilized to destroy the black race.But I think I have said enough to make clear that this is an explosive book just waiting to be read by the courageous.
