Kingsley Kuchner has a secret. A secret even he doesn't know he has. And soon, he's going to share it with the world, and bring an end to the world we know. *How to Lose Your Voice Without Screaming* explores with compassion and laugh-out-loud humor what can happen when we repress a very big secret. Part mystery, part romantic comedy, a bildungsroman, of sorts. It's what you'd get if the Cohen Bros lampooned the New Journalism of Truman Capote and Tom Wolfe while receiving guidance from a young Woody Allen. "This story will change America, forever. Let me correct myself. ...It already has." Ivan Von Noshirilgram Sr.
