Stalking Crimes and Victim Protection: Prevention, Intervention, Threat Assessment, and Case Management

Case management.

Editor Joseph A. Davis, Ph.D., a nationally recognized expert in the field of public safety psychology, with a background in both psychology and law, has assembled a team of experienced professionals who have contributed to this comprehensive text, which educates, informs, and raises public awareness of this growing phenomenon. Including several case examples for study and clinical-forensic comparison, Stalking Crimes and Victim Protection will help you provide better services to victims, evaluate the mental state of the stalker, provide assessments of potential threat, and consult on security issues, case management, and safety planning.
