**Dark Visions** Stephen King, George R. R. Martin, Dan Simmons

Take three of the leading names in contemporary horror writing, commission one-third of a book's worth of stories from each, and the result is DARK VISIONS. Stephen King leads off with three stories, including "Sneakers", about a very unusual haunting, and "Dedication", one of the most powerful and unsettling of all his works. Dan Simmons pays homage to Philip K Dick with "Metastasis", one of three highly accomplished stories. And George Martin rounds off the book with the brilliant werewolf novella, "The Skin Trade". DARK VISIONS is a brilliantly original showcase from three masters of the macabre.
