Las Plantas Medicinales de México. Edicion Ilustrada (Spanish Edition) Maximino Martinez

Mucho se ha escrito sobre la flora medicinal indigena pero por regla general, los datos se encuentran dispersos en diversas publicaciones, muchas de ellas agotadas o sumamente raras. Hemos reunido cuanta informacion ha sido posible, agregando aclaraciones sobre la clasificacion botanica, las localidades y observaciones personales. Muchos de los conocimientos sobre las plantas medicinales son empíricos pues datan de epocas anteriores a la colonia europea en America y son muy antiguos. Los indigenas en virtud de su intimo contacto con la Naturalez y por una experiencia prolongada, quizas hasta dolorosa, habian adquirido amplios conocimientos sobre las virtudes curativas de las plantas y las sabian aprovechar con sorprendente acierto. En multitud de casos lo que la ciencia moderna ha hecho es simplemente verificar lo que los indigenas habian hallado de modo empirico.
