You Work with a Bunch of Liars—Learn What to Do About It

Sure, everyone tells little white lies now and then, but real deception in the workplace is a poison that can destroy relationships, careers, and companies. Carol Kinsey Goman, a leading workplace body language expert, combines her own experiences with the latest research to identify fifty subtle physical and vocal cues that will enable you to spot destructive workplace lies. She analyzes the role we play in supporting lies—how our own vanities, desires, self-deceptions, and rationalizations allow us to be duped. And once you detect a lie, she provides tactical advice on how to respond, whether the liar is above, below, or on the same level as you—even if it's your boss.
