Bengal in 1756-1757: A Selection of Public and Private Papers Dealing With the Affairs of the British in Bengal During the Reign of Siraj-Uddaula, Vol. 1 (Classic Reprint) Samuel Charles Hill

The series of which the present volumes form a first instalment is in some measure an outcome of a suggestion made to the Government of India by the Royal Asiatic Society in June, 1900. The Society then pointed out the service which would be rendered to Oriental learning by the issue of a series of volumes bearing upon the history of India, particularly in ancient and medieval times, such as texts or translations of works by native writers, indexes, monographs, dictionaries of proper names, maps, and other materials for historical research. The suggestion was favourably received by the Government of India, and, with the concurrence of the Secretary of State, arrangements have been made for the publication, under the auspices of the Royal Asiatic Society, of an Indian Texts Series on the lines indicated. Several volumes are already in hand, and will be issued in due course. When adopting the proposal thus made to them, the Government of India decided to extend its scope by preparing a companion series to deal with the more modern history of India. This is to comprise selections, notes, or compilations from the records of the Indian Government, or of the India Office in London, and will be known as the Indian Records Series. The volumes now published will be followed by others on The History of Fort William, Calcutta, containing papers selected by the late Dr. C. R. Wilson; The Reports of Strensham Master on his Tours in Bengal and Madras, 1676-1680, edited by Sir Richard Temple, Bart., OLE.; Papers Relating to the Administration of Lord Clive, by Mr. G. W. Forrest, CLE.; and The History of Fort St. George and other Public Buildings at Madras, by Colonel H. D. Love, R.E. It is only necessary to add that the various editors have full discretion as to the treatment of their subjects, and are therefore alone responsible alike for what is included and what is excluded. (Typographical errors above are due to OCR software and don't occur in the book.)
