Jennifer Owens had her fair share of troubles, what with being pestered by dead people and having to dodge the well-intentioned spells cast by her best friend, Becky. On top of that, she has to contend with a sex-mad octogenarian who seemed to be stalking her. She didn't think things could get any worse. But that was before she became the target of a band of vampires who wanted to protect a secret that only she could unlock, if only she could figure out what it was. A steaming hot vampire slayer is determined to be her knight in shining armour, but is he real or another one of Becky's silly spells? And would they be able to figure out the vampire secret before she becomes their dinner?
