From Australia to Zimbabwe, the new edition of this internationally acclaimed title continues its long-standing tradition of keeping the academic world up to date with the growth and changes taking place in the Commonwealth higher education sector. With over 2,600 pages of fully updated facts about 600 university institutions, the ACU Yearbook offers detailed information about their academic structure, senior staff, degree programmes and key research activities. The global coverage extends to Africa, Asia, Australasia, Canada and the Caribbean, and the UK, and much of the data is unique to the Yearbook. The many phone and fax numbers, e-mail and web addresses (over 50,000) make it easier than ever to contact specific areas within an institution: campuses, faculties, schools, departments, research centres and also managers responsible for central services such as accommodation, admissions, library, finance, international affairs and public relations.
