As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make a summary for some book, they are complained. Just little students that have reading's spirit or real their hobby. They just do what the instructor wants, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at it is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. A book is very important for yourself.
