Deep in the gorgeous Missouri countryside stands the Hotel Crosby, run by former lawyer Elissa. Having lost her parents at a young age, protecting her two sisters and their quaint hotel is everything to Elissa. However, those peaceful days come to an end with the arrival of a man gripping the deed to the land. Sporting jet black hair and an assertive demeanor, he tells Elissa she has until next Spring to vacate the premises so he can build a golf course on the land. The hotel means the world to Elissa, and she's not about to let some man destroy her happiness without a fight.
