## **Monday's Lie** Jamie Mason

From the acclaimed author of the “ripping good” (*The New York Times*) debut novel *Three Graves Full* comes a new thriller hailed as “superb...will entrance readers from page one. Sly, poignant, and beautifully written” (*Library Journal*, starred review).

Dee Aldrich rebelled against her off-center upbringing when she married the most conventional man she could imagine: Patrick, her college sweetheart. But now, years later, her marriage is falling apart and she's starting to believe that her husband has his eye on a new life...a life without her, one way or another.

Haunted by memories of her late mother Annette, a former covert operations asset, Dee reaches back into her childhood to resurrect her mother's lessons and the “spy games” they played together, in which Dee learned memory tricks and, most importantly, how and when to lie. But just as she begins determining the course of the future, she makes a discovery that will change her life: her mother left her a lot of money and her own husband seems to know more about it than Dee does. Now, before it's too late, she must investigate her suspicions and untangle conspiracy from coincidence, using her mother's advice to steer her through the blind spots. The trick, in the end, will be in deciding if a “normal life” is really what she wants at all.

With pulse-pounding prose and atmospheric settings, *Monday's Lie* is a thriller that delivers more of the “Hitchcockian menace” (Peter Straub) that made *Three Graves Full* a critical hit. For fans of the Coen brothers or Gillian Flynn, this is a book you won't want to miss.

### **From reader reviews:**

#### **Debra Lovern:**

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world. Each e-book has different aim or even goal; it means that e-book has different type. Some people really feel enjoy to spend their a chance to read a book. These are reading whatever they take because their hobby will be reading a book. Why not the person who don't like looking at a book? Sometime, man or woman feel need book once they found difficult problem or even exercise. Well, probably you will need this Monday's Lie.

#### **Lupe Ware:**

Information is provisions for those to get better life, information nowadays can get by anyone on everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider any time those information which is inside the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you find the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take Monday's Lie as your daily resource information.

#### **Keith Vanwagoner:**

This Monday's Lie is great guide for you because the content that is full of information for you who all always deal with world and have to make decision every minute. That book reveal it data accurately using great coordinate word or we can point out no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with beautiful delivering sentences. Having Monday's Lie in your hand like finding the world in your arm, info in it is not ridiculous one. We can say that no guide that offer you world in ten or fifteen small right but this publication already do that. So , this is good reading book. Hey there Mr. and Mrs. active do you still doubt in which?

#### **Tom Salgado:**

Reading a reserve make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is written or printed or created from each source that will filled update of news. On this modern era like today, many ways to get information are available for an individual. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just searching for the Monday's Lie when you desired it?
