**Nursing Theories and Nursing Practice ( Third Edition )** Marilyn E. Parker PhD RN FAAN

Noted theorists and scholars explore the historical and contemporary theories that are the foundation of nursing today. The 3rd Edition of this highly praised book meets the needs of today's students with a new focus on the models that define the best outcomes and provide the evidence that supports nursing practice.

For each theory, you'll find an introduction to the theorist, a description of the theory's role as a model for nursing practice, and an examination of its application in clinical practice. Readers will understand how the theory has been used in the past and evaluate it as a model for clinical practice.
