The Communist Manifesto

Karl Marx, Friedrich Engels

The Communist Manifesto Karl Marx, Friedrich Engels

Perhaps the most influential political work of all time, this slim volume penned by Marx and Engels in 1848 remains a relevant description of the tensions which continue to define the social classes. The Communist Manifesto goes forward to describe the Communist Party as envisioned by the Communist League, which commissioned the work. Boldly stating that the history of human civilization itself is the history of class struggle, this ambitious text presents an incisive cross-section of society and a manifesto for its transformation.
