**The Complete Adult Psychotherapy Treatment Planner (Practice Planners)** Jr. Arthur E. Jongsma, L. Mark Peterson

Designed to help psychologists, social workers and other clinicians prepare comprehensive treatment plans, this revised and updated edition provides an array of pre-written treatment plan components for the treatment of adults. A lead title in the Practice Planners Series, it includes over 1,500 well-crafted, clear statements describing the behavioural manifestations of the problem, the long-term goals and short-term objectives of treatment, and clinically-tested treatment options. Organised in a "workbook" format, it provides readers with space to record their own customised goals, objectives, and interventions. Available for purchase in book form alone, or with a disk containing the data in the book which can be imported into Therascribe 3.0 as an add-on module, it is a complete guide for every novice therapist to preparing plans which meet the requirements of third-party payers and accrediting agencies.
