This book is a supplement to “To Kill a Mockingbird” and intended to enhance the experience of reading the original book. We recommend purchasing the full version of “To Kill a Mockingbird” on Amazon in addition to this book.

Introduction

A lawyer's advice to his children as he defends the real mockingbird of Harper Lee's classic novel—a black man charged with the rape of a white girl. Through the young eyes of Scout and Jem Finch, Harper Lee explores with rich humor and unswerving honesty the irrationality of adult attitudes toward race and class in the Deep South of the 1930s. The conscience of a town steeped in prejudice, violence, and hypocrisy is pricked by the stamina and quiet heroism of one man's struggle for justice—but the weight of history will only tolerate so much.

Benefits

- Spend less time reading and more time enjoying your favorite books.
- Find important details you may have missed the first time.
- Know what other people thought about the book.
- Reveal the hidden meaning of important characters and events.
- Stay on track while reading books with many characters and locations.
- Review the story before reading the sequel or watching the movie version.
- Prepare for a book club conversation or online discussion.
- Continue reading an unfinished book while remembering key details.
