Anthony J. Ferri

Willing Suspension of Disbelief: Poetic Faith in Film Anthony J. Ferri

Willing Suspension of Disbelief: Poetic Faith in Film is a study of the way we watch film. Anthony Ferri explores the way expectations influence what they see, feel, and experience. Using Coleridge's term "willing suspension of disbelief" as a starting point, Ferri sets forth a fascinating study of the psychology of watching film. While film scholars and professionals have alluded to Coleridge's term in a parenthetical or tertiary manner, this volume makes a definitive account for the concept and provides a contemporary analysis of the film viewing process from a variety of critical and empirical perspectives. *Willing Suspension of Disbelief* is valuable for film scholars and students of film.
