Package contains:

Characteristics of Emotional and Behavioral Disorders of Children and Youth The leader in special education for emotionally disturbed children and youth, this powerful text combines descriptions of emotional and behavioral disorders with discussion and interpretation of current research on their development. Material is organized around five basic concepts: the nature of disorders and conceptual approaches to them; methods and rationale for assessment; major casual factors; characteristics of disordered emotion and behavior; and a personal statement about teaching students who exhibit such disorders. An advocate for social learning principles, the author addresses the links between what happens in a real-life classroom and psychology, child development, and special education; and suggests ways in which emotional and behavioral development can be influenced for the better, particularly by educators.

This new casebook offers future special education teachers authentic glimpses into the lives of real children and youth. Each case is taken from the research and personal experiences of the author and selected contributors, and grouped by topic, to emphasize the connections between topics and all aspects of emotional and behavioral disorders. None of the cases is hypothetical; each is populated by children and youth in real events. The author introduces each case and suggests questions for class discussion to further the readers understanding of the concepts presented. This casebook is packaged free with the 8th edition of *Characteristics of Emotional and Behavioral Disorders of Children and Youth* and is also available as a standalone product.
