An Introduction to Sociology

Ken Browne

An Introduction to Sociology Ken Browne

Thoroughly revised and fully updated, this fourth edition of *An Introduction to Sociology* provides an accessible and engaging introduction to sociology, without oversimplifying or passing over the important and exciting insights sociology has to offer.

Building on the book's existing achievements, Ken Browne has restructured the fourth edition to focus on the core issues in sociology considered in introductory courses, covering all the substantive topics and many of the options specified by the main GCSE examining boards. The new edition has been completely updated to reflect contemporary social changes, including the latest statistics and topical illustrative examples. New material is to be found throughout, such as extended treatment of family and household diversity, the effects of new media technologies, citizenship, political participation and protest, and the links between sociology, social problems and social policymaking in a range of contexts.

The book has been carefully designed to support and extend students' learning: summaries of key issues, a clear glossary, and a lively range of activities and discussion points, all add to the book's value as a learning and teaching resource. Student-friendly cartoons, tables, diagrams and photographs - as well as a fresh internal design - also enliven the text, presenting sociology as an exciting and relevant topic to students of all ages, interests and abilities.

The new edition of this highly successful textbook will prove invaluable to anyone taking an introductory sociology course, especially at GCSE and related levels. Students taking Access, nursing, and health and social care courses will also find the book provides an easy-to-follow and thoughtful introduction to studying sociology.
