Who doesn't love a sexy, dominant fireman?

After a tough breakup, Lexa Mae decides she needs a change. From the southern plains of South Dakota to the Big Apple, Lexa books a hotel room and spa package at the prestigious Sterling Hotel in Times Square.

Looking forward to a relaxing getaway, Lexa's fun is spoiled the moment handsome fireman Jules Sinclair knocks on her door ordering an evacuation. Wearing nothing but a towel, she slams the door in his face, unwilling to leave just yet.

Forced from the hotel as an explosion rocks the seventh floor, Lexa has managed to secure her dress but no panties as the handsome fireman rescues her from the burning flames. With no friends in the city and her belongings destroyed, she has nowhere else to go.

Jules invites Lexa to the fire station, offering her clothes, shelter, and even a hard spanking for dismissing his order to evacuate.

Will she learn to submit to Jules, or is the heat just too much?
