## **Invasion: Alaska (Invasion: America) (Volume 1)** Vaughn Heppner

The invasion of Alaska has begun. And the Third World War may not be far behind. In this controversial book, Vaughn Heppner explores the theme of a shattered America facing the onslaught of the new colossus in the East: Greater China. The time is 2032, and the Chinese are crossing the polar ice and steaming through the Gulf of Alaska. They have conquered oil-rich Siberia and turned Japan into a satellite state. Now a new glacial period has begun, devastating the world's food supply. China plans to corner the world's oil market and buy the needed food for their hungry masses. A weakened America uses old technology against the next generation of military hardware. The invasion unleashes the Hell of battle as two armies turn the snowfields of Alaska red with blood. **INVASION: ALASKA** is a thundering techno-thriller of vast scope, written by bestselling author Vaughn Heppner.
