Do you have prophetic dreams? What about dream symbols and what they mean? \* Spirit possession: multiple personalities are often actually possession. When treated as such, most cases are healed. Dr. Edith Fiore, a psychiatrist, says it has been so in her every case. \* Why do children die? Do they grow up on the other side? Do they remain children? Are they the secret playmates of your childhood? Remember your invisible companions? \* Learn about spirits and ghosts from the distant past, like those in the White House and the phantom train that carries the body of President Lincoln along the same route as it did in real life, except it never reaches its destination. Thousands have witnessed this phenomenon. \* Read about the eighth wonder of the world, the Coral Castle, built in Florida, single-handed by a 97-pound man, using stones which weigh several tons each. These stones equal the size of the stones in the pyramids. This book is phenomenal in the way it explores the mysterious wonders of the world. You will be truly astounded and enlightened. Endorsements "Dr. Audrey Craft Davis is one of those rare people who can present a complex subject simply and clearly. As an introduction to metaphysics this book is first-rate. -- Rev. Paul Daniele
