New technologies are revolutionizing research capabilities and pedagogical approaches. To meet the needs of an increasingly technology-savvy public, Fortress Press presents widely-used volumes in a new CD-ROM format. Features include: The complete, searchable text of the book; glossary hyperlinked to key words in the text; additional study questions; student helps for writing papers; internet links to additional resources; note-taking, bookmarking, and highlighting capabilities.

The completely revised and updated version of Johnson's very successful introduction to the New Testament (1999) is now available with a CD-ROM that contains the entire original text with copious searching and researching features, plus hyper-links to the NRSV. Johnson organizes his presentation in six major sections:

(1) The Symbolic World of the New Testament, (2) The Christian Experience, (3) The Synoptic Tradition, (4) Pauline Traditions, (5) Other Canonical Witnesses, and (6) The Johannine Tradition.
