Howard Waldrop

The only problem with THINGS WILL NEVER BE THE SAME is that it's not nearly long enough. Sure, sure, it's chock full of great stories by the best short fiction writer of his generation, modern classics like "The Ugly Chickens" and "Flying Saucer Rock n Roll" and "Heart of Whitenesse" and many more... but there are two or three times as many terrific Waldrop stories, equally good and sometimes even better, that have been left out for want of space. There's only one solution. Read this book... and then go out and track down all of Waldrop's other collections and read them too.
