## **Coached For Life** Ed Flaherty, Jack Uldrich

A true account of how two high school football coaches molded an undistinguished group of young men into state champions in 1962, this book features a dramatic 40-year retrospective from the players themselves on how the principles instilled in them have continued to shape their lives in positive ways long after leaving the football field. The story is a testament to the profound impact leaders can have on other people's lives, whether they are educators, coaches, business leaders, clergy, or counselors.
