Perri O'Shaughnessy Collection: Invasion of Privacy, Move to Strike, Unfit to Practice (Nina Reilly)

Perri O'Shaughnessy

Invasion of Privacy (Luann Kindem, engineer) Twelve years ago, a young girl disappeared. Now a filmmaker has made a movie about it. The girl's parents call it invasion of privacy. A woman lawyer calls it murder. The bloodstains on the courtroom floor belong to attorney Nina Reilly. Months earlier she'd been shot during a heated murder trial. She should have died that day. Instead, Nina has returned to the same Lake Tahoe court. Her only concession to her lingering fear is to give up criminal law. She figures an invasion of privacy lawsuit is a nice, safe civil action that will help her support her young son and pay the bills for her one-woman law office. She figures wrong.

Move to Strike (Luann Kindem, engineer) Nina's not sleeping much these days. She's recovering from a great loss, haunted by a killer who may still be tracking her, and working on a tough new case. Her client is a sixteen-year-old girl charged with first-degree murder. Nikki Zack is a rebel, a thief, and the best friend of Nina's son, Bob. Did she steal something from her uncle, a prominent plastic surgeon, and then kill him with an ancient samurai sword? To help find out, Nina calls in private investigator Paul Van Wagoner, her ex-lover and constant ally, whose bravado doesn't betray his own sleepless nights. As they work through the twisting lies surrounding Nikki, it becomes brutally clear to Nina that she must pull an ace out of her sleeve in the courtroom to save her client, and solve the mystery surrounding Paul to save herself.

Unfit to Practice (Melissa Coates, engineer) As an attorney championing desperate people, Nina Reilly has skirted the edges of legal ethics in pursuit of a just result but she has never before broken the rule of absolute protection of her clients' secrets. One September night at Lake Tahoe when her unlocked truck is stolen, her life changes forever. Inside are her most sensitive cases, complete with the sometimes brutally candid notes she took while interviewing her clients. It's the event that every attorney most fears - one careless moment that undoes a lifetime of building trust and respect. The worst has happened - the secrets are being revealed one by one, in ways that will cause the greatest harm. Nina's own clients complain to the State Bar of California, and suddenly Nina is fighting for her license and her livelihood in a Kafkaesque legal proceeding that may ultimately lead to her disbarment.
