Trial By Fire (Covencraft Book 1) Margarita Gakis

Jade leads a structured life:

Routine job. Caffeine addiction. No serious relationships. And now, she can spontaneously set things on fire with her mind.

Well... perhaps “normal” was never in the cards for her. As she questions her own sanity and spirals out of control, a man appears on her doorstep and tells her that, like him, she’s a witch.

Pulled in all directions, her unbridled magic draws dangerous attention and Jade wonders if she’s made the worst mistake of her life by joining a coven, or if she’ll even live long enough to regret it.
